EXECUTIVE SUMMARY

Atwiine Precious is a detail-oriented Software Developer with strong expertise in building web applications using **React, Node.js, ASP.NET, Django, and modern web technologies**. She has practical experience in developing, testing, and maintaining software solutions and is familiar with **Agile development methodologies and version control using Git**.

She has over one year of professional experience in software training and development and is passionate about building efficient, scalable systems. Precious is currently pursuing a **Bachelor of Science in Computer Science at Makerere University** and continues to expand her expertise in full-stack development.

CORE COMPETENCIES

- Problem solving and analytical thinking
- Software development and debugging
- Web application development
- Data handling and logical reasoning
- Risk identification and solution design
- Digital security awareness
- Team collaboration and communication
- Ability to work in fast-paced environments

TECHNICAL SKILLS

Programming Languages & Frameworks

- React.js
- ASP.NET / C#
- Django (Python)

Atwiine Precious Mwebaze

Kampala | +256 740646639/766045396

Email : preciousinshuti3@gmail.com

- HTML & CSS
- JavaScript
- Node.js

Databases

- MySQL

Tools & Technologies

- Git & GitHub (Version Control)
- Agile / Scrum development practices
- Docker, DockerHub

PROFESSIONAL STRENGTHS

- Effective collaboration within cross-functional development teams
- Clear technical and non-technical communication
- Strong analytical thinking and structured problem solving
- Adaptability in fast-paced Agile environments
- Self-driven with the ability to manage tasks independently

WORK EXPERIENCE

Junior Software Developer

Lumpsum Technologies | March 2025 – Up to date

- Contribute to the development and maintenance of web applications.
- Build user interfaces using **React.js** and modern frontend technologies.
- Work with backend technologies including **ASP.NET**.

Atwiine Precious Mwebaze

Kampala | +256 740646639/766045396

Email : preciousinshuti3@gmail.com

- Collaborate with team members using **Agile development practices**.
- Participate in debugging, testing, and improving application performance.

Code Academy Uganda | Nov 2022 – Feb 2023

- Trained students in programming fundamentals.
- Guided learners through practical coding exercises and projects.
- Assisted students in understanding programming logic and problem solving.

EDUCATION

Bachelor of Science in Computer Science

Makerere University | 2025 – Present

Certificate in Python Development

Refractory Academy | Feb 2025 – July-2025

Uganda Advanced Certificate of Education (UACE)

Nabisunsa Girls' Secondary School | 2024

Uganda Certificate of Education (UCE)

Nabisunsa Girls' Secondary School | 2022

Primary Leaving Certificate (PLE)

Kabojja Junior School | 2017

OTHER PROFESSIONAL TRAINING

Certificate in Scratch Beginners, Intermediate and Advanced- Code Academy, Uganda

Atwiine Precious Mwebaze

Kampala | +256 740646639/766045396

Email : preciousinshuti3@gmail.com

Certificate in Python-Code Academy, Uganda

Certificate in Machine Learning-Code Academy Uganda

Languages

English (Fluent, Tech Documentation, and Communication)
